

REMARKS

Claim 11 has been amended to depend from Claim 9 as originally intended.

In response to the requirement for restriction, Applicants hereby elect Invention II, drawn to a method for exchanging information between a central system and a satellite system, for prosecution on the merits. Claims 9-20 are readable on the elected invention. Applicants reserve the right to file one or more divisional applications for the non-elected inventions.

Claims 1-7 were previously cancelled without prejudice or disclaimer. Further, it is understood that Claims 8 and 21 will be withdrawn from consideration. Thus, Claims 9-20 are active pending. An action on the merits of Claims 9-20 is respectfully requested.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 (T2147-907751) any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.

Respectfully submitted,

Date: April 28, 2009
